

# Graduate School Deadlines

If you are hoping to graduate this Fall semester or simply move forward in your masters program, there are some important dates to keep in mind. Do not delay or hinder your education by missing these upcoming deadlines.

**Note:** Due to unprecedented budget cuts, the university will not be accepting new students to the graduate program in Spring 2010. If you had planned to begin the program at that time, please contact our graduate coordinator, Dr. Toise, for advising.
