

SACRAMENTO STATE

Department of Physics & Astronomy Spring 2007

# *Physics Colloquium Series*

## *"From the Laboratory to Capitol Hill: Opportunities and Challenges at the Interface of Science and Public Policy"*

*There is increasingly widespread recognition of the importance of having access to scientific expertise within the policy arena. Science and technology play an increasingly large role in public policy issues, which presents new opportunities for scientists. This seminar will present some of the roles that scientists can play in the public policy dialogue.*

**Dr. Kevin Whittlesey**

*OSA Congressional Science Fellow*

*Office of Rep. Doris Matsui*

**Tuesday, Feb. 20, 2007**

**4:10-5:20 PM MND 1015**

**Open & Free to all Students, Faculty & Public**
