Student Email Migration Project

• What: Students mailboxes are being migrated from our on-premise exchange server to the Microsoft Cloud, Office 365

• Why: Will allow students to take advantage of other Office365 services and software in the future

• When: Mailboxes will be moved beginning August 19th
Student Email Migration Project

- Student Email addresses will not change
- Students will still access email via MySacState
- Student Mobile devices will need to be reconfigured
- Some “bumpiness” may occur in transition
- We’re prepared – visit csus.edu/emailupgrade for more information
