Comment Cards from April 14, 2015 Session

Presenter: Gina Curry
Questions/Comments

- Q: Will there be any training sessions available on how to use CFS Data Warehouse?
  - Yes. Updates about training and timeline during Accountings presentation today.
Q: Can we make the Hospitality Checklist a usable document, with the name and event date, so we can use as a working document?

- Yes, document is now excel for your use. More discussion to follow during Accounts Payable presentation.
• Continue the Procurement 101 and start AP 101 at least once a semester
  ○ Working on training modules.
  ○ We will send out an announcement regarding upcoming training. Stay tuned!
