Courses, identified by the departments, requiring fees are now part of Tuition Calculation. As the student enrolls in these specific courses, the respective fees will be automatically charged. As an example below, the screen shot in CMS Student Financials shows a student has registration fees for Fall 2007 and course fees. Click on the blue hyperlink “Account Details” to see the specific course.

The student has registered for Art 133.
For further information contact:

Lynda Reposa
Student Financials Team Lead

CMS #278-3724 until approximately June 30, 2007

Student Financial Services Office # 278-7436

Department/Course Fee Demonstrations scheduled for April 18th and 19th.
