ENS Updates

- Currently 11,870 signed up for text messages
- The system is being enhanced to add a wireless outdoor public address component
- Digital Signs will also be added
- A new shorter ENS Video will be coming out
- Work is in progress to get SMS messages out faster
What is ENS

A System that Sends Five Types of Emergency Alerts
1. Voice Messages
2. Email Messages
3. Text Messages
4. Digital Sign Messages
5. Public Address Messages
