Change is Coming!

- Student Center (self-service) availability to all students is scheduled for March 19th.
- Faculty Center (self-service) availability is scheduled for April 2nd.
- Fall 2007 registration for continuing students begins April 23rd.
- New students, freshmen and transfers will register at orientation in June (after continuing students).
- Fee collection will occur after registration (post-pay as compared to pre-pay).
- Enrollment cancellation for non-payment of fees will begin July 5th.
- Auto-enrollment from the wait list will be run nightly and seats will be filled as they open up.
- Registration unit cap has been raised from 17 to 21 units for Graduating Seniors.
- Sac State Messaging, a new one-way communication channel with students, will be made available to all Faculty.

Note: Faculty will use CasperWeb to post Spring and Summer 07 grades. Student registration for Summer 07 will also occur in CasperWeb. Additionally, CasperWeb will be used to advise continuing students for Summer and Fall 07 registration.

CMS training will begin in March and April. For session details, visit the Training Calendar at http://www.csus.edu/cms/training/calendar/.

All Faculty and Staff are encouraged to get a jump-start by taking the Information Security Program Training located in LearnerWeb at https://webauth.csus.edu/webauth.aspx?AuthAction=LearnerWeb. After completion of this 15 minute training, print and sign the certificate provided and forward it to the Office of Human Resources. This process will help avoid any delays in granting you access to the system.

For additional information, please plan to attend the forthcoming CMS Campus Forums scheduled on March 20th, 11AM-12PM (University Union, Summit Suite) and on March 21st, 8:30AM to 9:30AM (University Union, Forest Suite).
