Recycling of batteries, ink cartridges, lights, etc.

Desk side recycling is for co-mingling of:

- Paper – newspapers, magazines, office paper, envelopes.
- Plastic – soda/water bottles, any CRV, recycling code w/ 1 or 2.
- Glass – soda bottles, sm. Jars
- Aluminum – cans, clean pans/foil

All others (furniture, batteries, lamps, etc.) should call numbers listed below directly or initiate a FS service request for pick up.

Traditionally, departments call when they have accumulated a small stock pile of items if can be stored safely (perhaps no regarding lamps)

- **Batteries** – (Ni-Cad, Lithium, Nickel Metal Hydride)
