On Sunday, 4/29/2007, at approximately 1:35 PM, Sacramento State police officers responded to the second floor Library Reference Desk on report of an indecent exposure. A female victim reported that an unidentified male sat down about forty feet away from where she was sitting and appeared to be masturbating under the cover of a newspaper. The male removed the paper and was exposing his penis outside his shorts. The male subject did not look at or say anything to the victim. The victim immediately reported the suspect to Library staff. The building was checked for the suspect with negative results.

The suspect is described as a Black male adult, 60 years, 5-10 to 5-11, 170 lbs, with nearly completely shaved black hair. He was wearing an orange or red baseball cap, grey t-shirt, dark color shorts, and possibly carrying an unknown color backpack.
