Summer 2015 Fun Days

Thursday, June 18th

Creativity Contest Day

Each office will receive a bag of items. Each will design and create a “product” out of the items, name it and make up a story about it. Photos and story will be judged by an impartial panel and the winning office will be awarded.

Thursday, July 23rd

Office Games Day

Each office will choose a “game” to be played in your office (i.e. mini-bowling, ring toss, mini-basketball). Members of FS & BPA will make their way around to each office and play the games. Everyone who participates in every game will be entered into a drawing for small prizes.

Tuesday, August 18th

Campus Scavenger Hunt

Clues pointing to campus people, places or things will be provided. Participants will visit those clues and take a selfie. Everyone who CORRECTLY finds ALL the clues will be entered into a drawing for small prizes.

Wear your Green and Gold on each of the days to help get in the spirit.
