Interested in an Impacted Major?

Major/Program Impaction: when the number of applications from fully eligible students to a designated major during the initial filing period far exceeds the number of spaces available in that major.

Expressed Interest: a designation for undergraduate students interested in pursuing an Impacted Major, but have not yet been formally accepted to the program by the major department.

TO APPLY TO AN IMPACTED MAJOR/PROGRAM:
1. Students must successfully complete the specified prerequisite courses or equivalents.
   *Visit assist.org to find community college specific course equivalents
2. Meet the minimum GPA and completed unit requirements
3. Submit a supplemental application (see department website for details).

TIPS FOR A SMOOTH AND SUCCESSFUL TRANSITION

- Complete ALL lower division courses for your major and general education requirements prior to entering Sacramento State.
  - Visit assist.org to find community college specific course equivalents.
  - Visit the website for your program of interest for more details and information. Co-requisite courses may also be required.

- Admission to Sacramento State does not guarantee admission to an impacted major. A Supplemental Application is needed to apply; know the important deadlines and apply in a timely manner (go to department’s website for information).
  - If you are not admitted to an impacted major, you are still eligible to attend Sacramento State

- Have a back-up major/plan; meeting the minimum GPA does not guarantee admission to an impacted program.
  - Visit the career center at your campus to determine other areas of interest or other majors that will allow you to meet your career goals.
  - Work with your current professors and advisors to develop an academic success plan to ensure that your cumulative GPA is competitive and exceeds the GPA requirement for your program of interest.
  - You are expected to declare a major within your first semester at Sacramento State.
