Subject: Appreciation for Campus WASC Effort

President Alexander Gonzalez and I sincerely thank the campus community for its engagement in the WASC reaccreditation process throughout the past few years and especially during the recent visit to campus by the WASC team (April 7-9, 2009). The unprecedented level of campus involvement during that visit made a demonstrably positive impression on our visitors. We appreciate the hard work of the many committees, work groups, and individuals who produced and organized the reports and supporting materials for the WASC team. We are also grateful to those who met with the members of the visiting team, attended open meetings, and offered comments to our visitors. The campus community's reaccreditation effort has reaffirmed Sacramento State's already strong commitment to its mission and to the success of our students. We truly appreciate that effort and its outcome.

Joseph F. Sheley
Provost/Vice President for Academic Affairs
