---	---	---------------------------

Change to:

Subject Area (prefix) & Catalog No. (course no.):	Title: Seminar in Social Development	Units:
--	---	---------------

JUSTIFICATION:

In planning to offer the course, we realized that having a title Social OR Cognitive Development does not make clear to students the content of the course. It will also make it difficult to track whether students are taking the same or different content if repeating the class. We are thus revising this course to reflect content in social development and creating a new course for cognitive development (CHDV 211).
