Briefly describe the program proposal (new or change) and provide a justification.

RLS 125-Therapeutic Recreation and Persons with Physical Disabilities will be removed from the required courses and replaced with RPTA 118-Facilitation Techniques in Therapeutic Recreation. This change is being made to match the recent curricular changes in the RPTA program. This new course RPTA 118, meets Standard 21 (Curriculum Development) for the APE Credential. The program provides knowledge in the development of adapted physical education goals and objectives throughout the lifespan for individuals with disabilities. This standard was met in part by RLS 125. It will now be met in part through RPTA 118.
