Briefly describe the program proposal (new or change) and provide a justification.

Given the addition of 1 unit added to EDC 216, Counseling Theory, the total unit count for students who endeavor to take the Thesis or Project Option (Choice A), then moves to total units of 61. Students who take the Oral/Written Examination (Choice B), recently had a 2 unit adjustment to EDC 290 so that their total units remains at 60 units. This Program Proposal acknowledges the unit modification of total program for students opting to commit to the Thesis or Project with a total of units going from 60 to 61.
