Briefly describe the program proposal (new or change) and provide a justification.

The College of Business Administration requests to add MBA 205-Introduction to Managerial Issues in Information Technology in the Certificate for Advanced Business Studies (CABS) curriculum. Given the importance of Information Technology to the success of every organization in today's business environment, this new course will be very beneficial to the students in the CABS program to ensure that they have the critical knowledge in IT for their career.
