Briefly describe the program proposal (new or change) and provide a justification.

The Master of Arts in Education – Education Technology (iMET) requires students to pay a Distance Learning Fee. In order to facilitate the processing and record keeping associated with that fee, it is necessary to distinguish the specially cohorted iMET sections of EDTE 250 and EDTE 251 from the others offered by the department. Adding “i” to the course number will accomplish that goal.
