JUSTIFICATION:

In Fall 2007 CHDV began offering a new research methods course, and had arranged that this course would be an acceptable pre-requisite for our upper-division classes. This has not proved acceptable, and we are removing that course as a pre-requisite for this course. Furthermore, because of the large writing requirement in this course, the CHDV department has decided that students should be required to complete CHDV 133 prior to taking CHDV 138. This necessitates removing the possibility of 133 being offered as a co-requisite.

There are three changes to this course:

- a) remove CHDV 123 as a pre- or co-requisite
- b) Make CHDV 133 a pre-requisite (not to be taken concurrently).
- c) Remove the prohibition of co-enrollment with CHDV 137
