**Briefly describe the program proposal (new or change) and provide a justification.**

**Requested Change:** Delete GM 196 and replace with MKTG 196 as elective course in section “(3) Select one of the following:” Prior to the restructuring of the College of Business Administration, GM 196 carried a department prefix of MGMT 196. Here, MGMT 196 served as a “catch-all” course for experimental (new) courses for Finance, International Business, Strategic Management, Insurance, Operations Management and Marketing. Unlike MGMT 199 which had a suffix code (A-D) to identify each experimental course by concentration, MGMT 196 did not have such designations. Each time a new MGMT 196 was offered, the Marketing area faculty voted to approve or not approve the course as an “accepted” elective for the Marketing Concentration. Where applicable, undergraduate course prefixes are now based on CBA concentrations, e.g., MKTG for Marketing courses. As such a new concentration-specific 196 is being offered (see New Course Proposal for MKTG 196 attached) to replace GM 196 as an elective in the Marketing Concentration.
