Description of the Expected Learning Outcomes: Describe outcomes using the following format: “Students will be able to: 1), 2), etc.” See the example at http://www.csus.edu/acaf/example.htm

Students will be able to:
- Read critically the course text and other assigned materials.
- Develop writing strategies for the types of writing assignments given in the course.
- Apply test-taking strategies when preparing for and taking course exams.
- Use time-management strategies in planning how to study and complete assignments for course.
- Use computer-based instructional materials designed to supplement course.

**Attach a list of the required/recommended course readings and activities [Note: it is understood that these are updated and modified as needed by the instructor(s).] This attachment should be forwarded only to your Dean’s office, not Academic Affairs.

Assessment Strategies: A description of the assessment strategies (e.g., portfolios, examinations, performances, pre- and post-tests, conferences with students, student papers) which will be used by the instructor to determine the extent to which students have achieved the learning outcomes noted above:

The grade for this supplemental instruction course is based on attendance. The effectiveness of the course will be assessed based on student outcomes in the Accountancy course to which it is attached. Data will be collected comparing the final Accountancy grades of students who take the adjunct concurrently with the grades of the students who don’t.

COURSE DESCRIPTION

This one unit, CR/NC course will provide assistance with collaborative learning as well as an introduction to learning strategies, which will help you to improve study efficiency and test performance in your ____________ class. Students in the adjunct work in groups and individually to prepare for quizzes and exams in the GE/lecture course. In addition, students have the opportunity to ask questions regarding lectures and assignments. Study groups and review sessions for exams will also be part of the adjunct. The schedule of topics covered in the adjunct will generally follow the schedule in the GE/lecture course.

COURSE REQUIREMENTS

Attendance Policy: Attendance is mandatory. To receive a grade of "Credit" in this course, you must attend two hours of regularly scheduled meetings each week, participate in all class work. Since this class is designed to combine the application and monitoring of academic strategies for the study of ____________, it is very important that you attend every session. Only 2 absences are permitted—excused or unexcused. If you have more than two absences, you will receive a grade of "No Credit" in the adjunct.

Drop Policy: If, for any reason, you must drop the ____________ course, you must drop the adjunct course separately. You will NOT be automatically dropped from the adjunct, so if the drop procedure is not done properly, you will receive one unit of "No Credit" on your grade report.
