This course replaces experimental course Subject Area (prefix) and Catalog Nbr (course number):

If changing an existing course, should new version be considered a repeat of the original version? If so, the same Course ID will be maintained. If not, a new Course ID will be assigned. Note: In PeopleSoft terminology, the Course ID is the unique system identifier, not the Catalog Nbr.

### Change from:

| Subject Area (prefix) & Catalog Nbr (course no.): EDC 282 | Title: Practicum in Group Counseling | Units: 2 |

### Change to:

| Subject Area (prefix) & Catalog Nbr (course no.): | Title: | Units: |

### JUSTIFICATION:

This proposal seeks to modify the requirement for EDC 282: Practicum in Group Counseling from a required counseling core course to an elective course. This proposed change is due to the new California Board of Behavioral Science requirements for the Licensed Professional Clinical Counselor (LPCC). The Department of Counselor Education is modifying its program requirements to more closely align with the LPCC requirements. The content in EDC 282 (facilitation of one counseling group) was recently incorporated as a requirement in EDC 475: Practicum and EDC 480: Field Study. Therefore, this change also addresses curricular redundancy. In order to address these various issues and allow students to complete their required program within the 60 unit requirement, the Department of Counselor Education is proposing to modify EDC 282 from a required core course to an elective course.
