JUSTIFICATION:
The Division of Nursing is requesting the deletion of NURS 213A. Given the current budget constraints and low-enrollment in some of the specialty tracks, the Advanced Clinical Role track is proposed to become the Advanced Clinical/Educator Role track. The role of the nurse educator will be threaded throughout the track along with the N214B course that is part of the core classes. Therefore a collapsing of the tracks into one course (213) with individual clinical courses will be more fiscally and pedagogically sound. This approach will allow for general theoretical foundations in the clinical role to be realized at the clinical level through intensive specialized practicums.

These changes will result in larger class sizes, no change in FTES and therefore a positive impact on the budget.
