**Briefly describe the program proposal (new or change) and provide a justification.**

Due to the infusion of PACT and other CTC requirements for credentialing into the seminars associated with student teaching, the value of each seminar needs to be increased from 1 unit to 3 units. This increase in class units will now reflect the additional workload for both students and faculty. In order to comply with the mandated allowed unit count for a blended program, EDTE 471 A will be reduced to 5 units and EDTE 471B will be reduced to 4 units.
