Program Proposal
Form B

Academic Group (College): HHS
Academic Organization (Department): SPHP
Requested Effective: Fall_10___, Spring___, 20___

Department Chair: Laureen O’Hanlon

Date of Submission to College Dean:
Contact if not Department Chair:

Title of the Program (Please be specific; indicate minor, undergraduate or graduate degree, etc.):
Speech Pathology and Audiology Undergraduate Degree Program

Type of Program Proposal:

- X Modification in Existing Program:
- X Substantive Change
- Non-Substantive Change
- Deletion of Existing Program
- New Programs
- Initiation (Projection) of New Program on to Master Plan
- New Degree Programs
- Regular Process
- Fast Track Process
- Pilot Process
- New Minor, Concentration, Option, Specialization, Emphasis
- New Certificate Program

PLEASE NOTE: Form B is to be used only as a Cover Form. Additional information is requested for each of the above as noted in the corresponding procedure in the Policies and Procedures for Initiation, Modification, Review and Approval of Courses and Academic Programs found at http://www.csus.edu/umanual/acad.htm

Briefly describe the program proposal (new or change) and provide a justification.

1. Eliminate SPHP 111L, SPHP 116, SPHP 131 (SPHP 116 must run one more year since seniors in the major need to complete the course. SPHP 116 will be canceled as of Fall 2011).
2. Incorporate material from SPHP 116 into SPHP 110 and increase SPHP 110 by one unit
3. Reduce curriculum in Audiology overall and combine some material from SPHP 131 into SPHP 130.
4. Reduce curriculum in Fluency and increase curriculum in Medical Speech Pathology by changing SPHP 123 (currently Stuttering) to Voice and Fluency and SPHP 127 (currently Voice Disorders) to Introduction to Medical Speech Pathology reducing units in SPHP 127 from 4 to 3 units.

We are modifying our undergraduate curriculum to respond to both budgetary constraints and to advisory board and employer surveys. We are eliminating a total of 7 units from our undergraduate curriculum and saving up to 14 units of instructional costs beginning in Fall 2011. The curriculum change requires us to reduce some course material while adjusting and increasing some others (see Form A justifications). We have utilized input from our community advisory board as well as our employer surveys to support these changes and we have determined that we are not compromising overall learning outcomes of students in our program.
Approvals:

Department Chair: [Signature] Date: 4/19/10

College Dean: [Signature] Date: 4/19/10

University Committee: Date:

Associate Vice President and Dean for Academic Affairs: Date:

09/10/2008
Proposed Changes:

1. Eliminate SPHP 111L, SPHP 116, SPHP 131
2. Incorporate material from SPHP 116 into SPHP 110 and increase SPHP 110 by one unit
3. Reduce curriculum in Audiology overall and combine some material from SPHP 131 into SPHP 130.
4. Reduce curriculum in Fluency and increase curriculum in Medical Speech Pathology by Changing SPHP 123 (currently Stuttering) to Voice and Fluency and SPHP 127 (currently Voice Disorders) to Introduction to Medical Speech Pathology reducing units from 4 to 3 units.

### New Program

**Undergraduate Program**

Units required for Speech Pathology Major: 58-61

**A. Required Pre-major Courses (15 units)**

No change

---

### Old Program

**Undergraduate Program**

Units required for Speech Pathology Major: 65-68

**A. Required Pre-Major Courses (15 units)**

(3) A course in Human Development such as CHDV 30
(3) A course in Introduction to Statistics such as STAT 1
(3) A course in Introduction to Psychology such as PSYC 2
(3) A course in the biological sciences such as general human anatomy, physiology, biology, botany, zoology, microbiology, genetics, marine biology, etc., such as BIO 7, BIO 10, BIO 20, BIO 22, BIO 25 or BIO 26
(3) A course in physical sciences such as physics, chemistry, astronomy, physical geography, geology, meteorology, marine environment, matter and energy, etc., such as PHYS 1, PHYS 5A, PHYS 10, PHYS 11A, CHEM 1A, CHEM 6, ASTR 4B, GEOG 1, GEOL 8, GEOL 10, or GEOL 130

**B. Required Upper Division Courses (34 units)**

(3) SPHP 111L Anatomy and Physiology of the Speech Mechanism Laboratory (Corequisite: SPHP 111)
(3) SPHP 111 Anatomy and Physiology of the Speech Mechanism
(3) SPHP 112 Introduction to the Evaluation of Language Development (Child Development course, introductory course in Psychology)
(3) SPHP 116 Speech and Hearing Sciences (Senior status, SPHP 110, SPHP 111)
(3) SPHP 125 Language Disorders Across the Life Span (SPHP 112)

(3) SPHP 126 Clinical Phonology (SPHP 110).
(3) SPHP 130 Hearing and Audiometric Testing and Hearing Conservation

(3) SPHP 133 Aural Rehabilitation (SPHP 125, SPHP 126, SPHP 130, SPHP 131)

(2) SPHP 142 Topics in Autism Spectrum Disorders

(1) SPHP 145 Supervised Field Observations

(3) SPHP 148 Research in Speech – Language Pathology and Audiology (Introductory course in statistics or instructor permission; senior standing)

C. Area Requirements (16 units)
(3) SPHP 123 Voice and Fluency (SPHP 110)

(3) SPHP 127 Introduction to Medical Speech Pathology (SPHP 111, SPHP 123, senior standing)

(3) SPHP 143 Communication Disorders in Multicultural Populations (SPHP 110, SPHP 125, SPHP 126)

(3) SPHP 147 Assessment Procedures (SPHP 125, SPHP 126, SPHP 145)

(3) Select one course in Sign Language

C. Electives (0-3 units)
No change

C. Electives (0-3 units)
(3) SPHP 146* Introduction to Clinic (SPHP145)
*Required for students who plan to attend graduate school at CSUS in Speech Pathology and Audiology. Optional for students who do not plan to attend graduate school or plan to attend graduate school at another university. Must meet requirements for Admission to Supervised Clinical Practice. Students who do not take this course may need to take an elective to meet the 124 total unit requirement.
