This course replaces experimental course Subject Area (prefix) and Catalog Nbr (course number):

If changing an existing course, should new version be considered a repeat of the original version? If so, the same Course ID will be maintained. If not, a new Course ID will be assigned. Note: In PeopleSoft terminology, the Course ID is the unique system identifier, not the Catalog Nbr.

JUSTIFICATION:

RPTA 106 is a required core course taken by all students in the RPTA major, not just students with an emphasis in Recreation Therapy. The focus of the course “introduces” majors to the concepts pertaining to inclusive recreation and management needs across all areas of service in the recreation profession. It also serves as an “introductory” course for students with an emphasis in Recreation Therapy. Therefore, the change in name best reflects the course.
