**FOR NEW COURSE PROPOSALS OR SUBSTANTIVE CHANGES ONLY:**

**Description of the Expected Learning Outcomes:** Describe outcomes using the following format: "Students will be able to: 1), 2), etc." See the example at http://www.csus.edu/aca/example.htm

Students will be able to:
1. Apply the scientific method to the examination of geologic processes in areas of Mexico,
2. Identify typical minerals and rocks of the Earth’s crust and interpret them in terms of how they formed,
3. Explain the relationship between geologic features of Mexico in the context of plate tectonics,
4. Understand the effect of geology on the cultural development of Mexico and predict the consequences of future events, and
5. Evaluate the potential impact of land-use decisions with respect to geological hazards.

**Assessment Strategies:** A description of the assessment strategies (e.g., portfolios, examinations, performances, pre- and post-tests, conferences with students, student papers) which will be used by the instructor to determine the extent to which students have achieved the learning outcomes noted above:

- **Combination of lab assignments and examinations.**
- **Semester-long investigative projects.**

**For whom is this course being developed?**
- Majors in the Dept__ Majors of other Depts__ Minors in the Dept__ General Education X__ Other__

Is this course required in a degree program (major, minor, graduate degree, certificate)? Yes _  No X__

If yes, identify program(s):

Does the proposed change or addition cause a significant increase in the use of College or University resources (lab room, computer facilities, faculty, etc.)? Yes __  No X__

If yes, attach a description of resources needed and verify that resources are available.

Indicate which department or programs will be affected by the proposed course (if any): ________________________________

*The Department Chair’s signature below indicates that affected programs have been sent a copy of this proposal form.*

**Approvals:** If proposed change, new course or deletion is approved, sign and date below. If not approved, forward without signing to the next reviewing authority, and attach an explanatory memorandum to the original copy.
