FS 01-37/APC, Ex. GRADE APPEAL PROCESS (Editorial changes to and Amends FS 00-75)
[Continued from Faculty Senate Meeting of May 17, 2001.]

[Bill Dillon]

The Faculty Senate recommends that the current campus policy (FS 00-75) establishing the CSUS Grade Appeal Process be amended (Faculty Senate Agenda May 10, 2001, Attachment B) [strikeover = deletion; underscore = addition] and as follows:

Instructors are expected to cooperate with students appealing a grade to the extent of returning or making available for review or copying their written work or other material manifestations of performance . . . that survive the performance itself. The instructor in consultation with the unit chair may identify graded work that the student may only review in the presence of the unit chair. The instructor shall make a copy available to the grade appeal panel at the time of the grade appeal hearing. (Amended May 17, 2001)
