MEMORANDUM

TO: Dr. Janet Hecsh
Chair, Faculty Senate

FROM: Alexander Gonzalez
President

A handwritten signature in cursive script that reads 'Alexander Gonzalez'.

SUBJECT: President's Committee to Review the Grade Appeal Policy

After considering the Faculty Senate's request that I select three members from the faculty to serve on the committee to review and revise the Grade Appeals Policy, I have decided to invite Dr. Sue Escobar from Criminal Justice and Dr. Jim Wanket from Geography to serve. As you know, Dr. Escobar is also a member of APC and will provide the APC committee's perspective and expertise. I think this will enhance the committee's work.

As clarification, the reason I would like to keep the committee composition to two members each from the administration, students and faculty is so that it can deliberate in a timely manner and develop a draft of the revised policy to be considered by the Faculty Senate. It is my intent that the policy be implemented after review and recommendation by the Faculty Senate. However, it is also my expectation that this will be accomplished expeditiously.

Thank you for your timely response to my request.
