Dear Eligible Students:

Subject: Invitation to apply for a **FACULTY ENDOWMENT FOR STUDENT SCHOLARSHIPS AWARD**

---

---

Each year the Faculty Senate selects a number of outstanding students to receive its annual Faculty Endowment for Student Scholarships awards. This selection is made from a pool of applicants who have maintained an excellent GPA both overall and in their major discipline. As a result of your outstanding academic achievement, I congratulate you for being a member of this group and on behalf of the faculty of California State University, Sacramento, I extend to you the invitation to apply for this year's Faculty Endowment for Student Scholarships awards.

The award recognizes academic achievement and promise of continued academic success as well as service and contributions on campus, off campus or both. A minimum of 3 awards will be made to undergraduate students and a minimum of 1 award to a post-baccalaureate student in the amount equivalent to registration fees for the spring 2010 semester. All recipients must be enrolled in the Spring semester in order to receive the award.

If you wish to apply for a scholarship, **the deadline for submission of an application is 4:00 p.m., Friday, November 13, 2009.** Please visit [http://www.csus.edu/acse/SenateScholarship/scholarship\\_inform.htm](http://www.csus.edu/acse/SenateScholarship/scholarship_inform.htm) for information on eligibility requirements and the required application materials. The Faculty Endowment for Student Scholarships Committee will meet in November to make the annual selections. This year's recipients will be notified by letter approximately in December. You should pay all applicable registration fees for spring 2010 on time. If you are chosen to receive an award, you will be reimbursed. (*Note: all applicants will be notified via e-mail, so please include this information on your application.*) In late December, the recipients' names will be posted on the Faculty Senate's Bulletin Board and Web Page ([www.csus.edu/acse](http://www.csus.edu/acse)) and published in the Sacramento State Bulletin. In the spring, each award winner will be introduced and honored at a special meeting of the Faculty Senate.

Whether or not you apply, the faculty commends you for your outstanding academic achievement. Congratulations and best wishes for continued success in your academic pursuits. If you have any questions, please call Senate office staff at 278-6593.

Sincerely,

A handwritten signature in black ink, appearing to read 'Anthony G. Sheppard'.
