MEMORANDUM

Faculty Senate Received  
413

TO: Cirenio Rodriguez  
Chair, Department of Educational Leadership and Policy Studies

Ted Lascher  
Chair, Department of Public Policy and Administration

FROM: Ric Brown  
Vice President for Academic Affairs (Interim)

The attached proposes to establish a joint doctoral program in educational leadership among California State University, Sacramento, Sonoma State University, and the University of California at Davis. Because of an agreement between the CSU and the UC, funding will be provided at the same rate as the other UC doctoral programs.

Since faculty members from your two departments were involved in the proposal development, I ask that your department review the program as you would any new program; forwarding your recommendations to your College level. If you would notify me of the time and place of your scheduled review, I will ensure that representative faculty from each department be available for consultation.

I thank you for your timely review.
