 - f. the petitioner is currently attending Sacramento State, has filed to graduate from Sacramento State and has met with a degree evaluator from the Evaluations Office to determine if additional coursework is needed.
3. If another accredited college has acted to remove previous work from degree consideration, such action will be honored in terms of its policy. However, elimination of any work in a term by any other institution will reduce by one term the two-semester maximum that may be disregarded by Sacramento State.
4. When such action is taken, the student's permanent academic record will be annotated so that it is readily evident that no work taken during the disregarded term(s), even if satisfactory, may apply toward baccalaureate requirements. However, all work must remain legible on the record ensuring a true and complete academic history.
5. Final determination that one or more terms will be disregarded will be based on careful review of evidence by a committee, which will include the Provost and Vice President for Academic Affairs, the College Dean of the major, the Associate Registrar for Graduation and Evaluation, and the Vice President for Student Affairs.

When academic **forgiveness renewal** is approved, the student's record shall be annotated so that it is readily evident to users of the record that NO work taken during the disregarded term(s), even if satisfactory, has been applied towards the meeting of post-baccalaureate degree/credential requirements. All previous work must remain legible on the record; it is not included in the calculation of graduation requirements.
