Briefly describe the program proposal (new or change) and provide a justification.

The faculty of the Department of Foreign Languages has approved the suspension of the Russian minor for two years. Currently the Department does not have the faculty resources to continue to serve students who might be interested in declaring a minor in Russian. The part-time faculty member who was in charge of the Russian minor program retired after nearly ten years of service with the University. Arrangements have been made to address the course needs of all currently declared Russian minors this semester (Spring 2011). No additional students have declared the minor.
