Briefly describe the program proposal (new or change) and provide a justification.  The program title "Health Science major" is not listed in the University catalog is no longer offered and needs to be removed from the Chancellor's Sacramento State "program" list. The Health Science major currently requires students to choose one of the three options: community health education, health care administration, and occupational health and safety. Students currently enrolled in the "Health Science Major" (21) will be required to complete the program via the "teach out" policy and/or advised to declare one of the three options.
