Dear {#First Name#},

The Early Start Program is a requirement for many freshmen admitted for Fall 2014. Participation in the Early Start Program is based on your Entry Level Mathematics (ELM) and English Placement Test (EPT) scores. First-time freshmen who score 146 or less on the English Placement Test must complete an Early Start English course. Those who score 49 or less on the Entry Level Math Test must complete an Early Start math course.

Our records indicate that based on your placement test scores you are required to participate in the Early Start Program this summer. You must register for Early Start course(s) beginning on April 2, 2014 but no later than July 1, 2014.

For Early Start course information, schedule and more information regarding the Early Start Program visit our Early Start website at csus.edu/earlystart. Failure to complete the required Early Start Program could result in your admission being rescinded.

If you have any questions or concerns please contact Admissions at (916) 278-7766 or admissions@csus.edu.
