Dear (First Name),

Don’t Delay! Register today for the first online session of Early Start courses this summer! May 23rd is the deadline to register for the classes starting June 2nd. Class sizes are limited and filling up fast. For instructions on how to register for Early Start courses, click here.

Early Start Program participation is based on your Entry Level Mathematics (ELM) and English Placement Test (EPT) scores. First-time freshmen who score 146 or less on the English Placement Test must complete an Early Start English course. Those who score 49 or less on the Entry Level Math Test must complete an Early Start math course. Our records indicate that based on your placement test scores you are required to participate in the Early Start Program this summer.

For Early Start course information, schedule and more information regarding the Early Start Program visit our Early Start website at csus.edu/earlystart. Failure to complete the required Early Start Program could result in your admission being rescinded.

If you have any questions or concerns please contact Admissions at (916) 278-7766 or admissions@csus.edu.
