The Early Start Program is a requirement for many Freshmen admitted for Fall 2013. Participation in the Early Start Program is based on your Entry Level Mathematics (ELM) and English Placement Test (EPT) scores. First-time freshmen who score 137 or less on the English Placement Test must complete an Early Start English course. Those who score 49 or less on the Entry Level Math Test must complete an Early Start math course.

Our records indicate that based on your placement test scores you are required to participate in the Early Start Program this summer. You must complete the following steps for Early Start beginning on April 2, 2013 but no later than June 1, 2013:

1) Log into the Student Center in your My Sac State account.
2) Click on the Early Start at Sacramento State link in the Admissions section of the Student Center. You will be directed to the Early Start Program Smart Page.
3) Complete all required information on the Early Start Program Smart Page. This page will confirm whether you need to take one or both of the Early Start courses.
4) Confirm your Early Start selections on the Early Start Smart Page. Registration for Sacramento State’s online Early Start course(s) begins April 2, 2013.

If you opt to complete the Early Start course at a campus other than Sacramento State, then please follow the instructions given to you upon completion of the Early Start Smart page. For more information regarding the Early Start Program visit our Early Start website at csus.edu/earlystart.

If you have any questions or concerns please contact Admissions at (916) 278-7766 or admissions@csus.edu.
