Dear {#First Name#},

This is to inform you that your Petition for Waiver of the EO1048 Early Start Participation requirement has been approved. You may proceed with your admission for Fall 2014.

Please be aware that this approved waiver is limited to the EO1048 Early Start program requirement and you are still required to comply with the CSU Policy for Preparatory Classes (EO665) as follows: According to CSU Executive Order 665, students who do not pass the EPT and/or ELM are required to enroll in the appropriate preparatory courses in their first semester of enrollment. All preparatory courses must be completed within the students’ first year of enrollment; otherwise, the students will not be allowed to continue at the University, resulting in Administrative Disqualification. For more information on EO665, click here.

If you have any questions, please contact us at (916)278-7766 or admissions@csus.edu.
