Dear {#First Name#},

Congratulations on your acceptance to Sacramento State! Because of your outstanding work and commitment to bettering yourself, the brothers of the Sigma Phi Epsilon Fraternity at Sacramento State would like to invite you to apply for the John D. McClure Balanced Man Scholarship. This scholarship is awarded annually to first-time incoming male students at Sacramento State who represent the ideals of the Balanced Man.

The Balanced Man is an ancient Greek ideal that every brother of Sigma Phi Epsilon aspires to by focusing on developing a sound mind and sound body. These two goals are complementary partners of a quality education and should lead to lifelong learning, health and growth. Candidates for this scholarship should excel in academics, leadership, athletics, and community service as well as believe in Sigma Phi Epsilon’s cardinal principles of Virtue, Diligence, and Brotherly Love.

To qualify for the John D McClure Balanced Man Scholarship, you must plan on attending Sacramento State during the 2014-2015 academic year and submit an application by July 15, 2014. If you feel that you fit the ideals of a Balanced Man, we encourage you to apply through our website.

Please apply online at:
