Dear (#First Name#),

Early Start is an enrollment requirement for first-time freshmen who have not passed or are not fully exempt from the English Placement Test (EPT) and Entry Level Mathematics (ELM) placement exams. Our records indicate that you are required to participate in the Early Start Program this summer based on your Entry Level Mathematics (ELM), English Placement Test (EPT) scores and/or conditional exemption status.

First-time freshmen who score 146 or less on the English Placement Test or, who have an EPT conditional exemption AND do not complete their approved senior experience English course must complete an Early Start English course. Those who score 49 or less on the Entry Level Math Test or who have an ELM conditional exemption AND do not complete their approved senior math experience course must complete an Early Start math course.

You may register for Sacramento State’s Early Start course(s) beginning on May 1 but no later than July 17, 2015.

For more information regarding the Early Start Program including course information visit our Early Start website at csus.edu/earlystart. Failure to complete the required Early Start Program could result in your admission being rescinded.

If you have any questions or concerns please contact Admissions at (916) 278-7766 or admissions@csus.edu.
