Dear (#First Name#),

Act now and don’t jeopardize your admission to Sacramento State for Fall 2015 or disrupt your summer 2015 plans!

According to our records, you are required to take both the English Placement Test (EPT) and the Entry Level Math (ELM) test to maintain your eligibility to enroll at Sacramento State in Fall 2015. If you haven’t already taken these placement tests then you must register to do so by April 17, 2015 to take the final tests on May 2, 2015.

If you do not complete the required placement tests then you will not be allowed to register for Fall 2015.

Students who do not pass these exams will be required to complete Early Start summer courses and enroll in remedial courses this fall. Early Start course fees can cost $184 per unit and remedial courses cost approximately $265 per unit so save yourself time and money by preparing for these exams.
