**After I Apply, What’s Next?**

- All communication regarding your application for admission will be sent to the email you put on your application. Check your spam folder and adjust settings to ensure messages are received.
- Application acknowledgment will contain your Sac State ID number.
- Sac State ID number is used to set up your Sac Link account, which will give you access to My Sac State.
- Visit the “I Have Applied” section on the Admissions website: csus.edu/admissions.
- Check My Sac State to see the status of your application beginning March 1, 2015.
- After you are admitted, visit the “I Have Been Admitted” section on the Admissions website: csus.edu/admissions.

**Fall 2013 Admitted Student Profile**

Applicants: 12,264
Admitted: 10,915
Average GPA: 3.05
## Fall 2015 Undergraduate Admissions

- **Open to Upper Division Transfers**
- **Accepting applications during priority filing period October - November 2014 via csumentor.edu**
- **$55.00 application filing fee** Deadline December 18, 2014
- **Official transcripts deadline is January 29, 2015 (including Spring 2015 in progress and AP CLEP IB test scores).**
- **Admission decisions will be based on self-reported information from application and official documents**
- **Admission requirements must be completed by the end of Spring 2015. (MAY NOT USE SUMMER 2015 to complete any admission requirements)**
- **Admission notifications will be available March 1, 2015**
- **Intent to enroll deadline is May 1, 2015**

## Admission Requirements

### Upper Division Transfers

- Complete a minimum of 60 transferable semester or 90 transferable quarter units to include:
  - 30 units from the CSU General Education requirements or Intersegmental General Education Curriculum (IGETC) with a C– or higher for the following:
    - A1. oral communication
    - A3. critical thinking
    - A2. written communication
    - B4. math (above intermediate algebra)
  - Have a qualifying grade point average and be in good standing at last college or university attended
  - Returning Sacramento State students must be in good standing at Sac State
  - Applicants transferring with the majority of units from the following California Community Colleges are considered local area for admission: American River, Cosumnes River, Folsom Lake, Lake Tahoe, Sacramento City, San Joaquin Delta, Sierra, Solano, Woodland and Yuba
  - Local area for admission will be held to CSU transfer admission requirements
  - Out of local area for transfer admission may be based on higher qualifying grade point average and available space.
- **Intent to Enroll deadline (Accept Admission to Sac State)**

### Transfer GPA

Sacramento State is in demand! With record numbers of applications and limited capacity, we were forced to declare impaction campus-wide in 2011. Campus-wide impaction requires applicants from outside of our local service area meet higher admissions criteria. These criteria will be determined by enrollment targets and the applicant pool we receive for Fall 2015.

In addition to campus-wide impaction, a number of our majors have also been designated as impacting requiring supplementary admission criteria. However, students can still be admitted in an alternate major, or they may eventually be admitted to the oversubscribed major if they meet the supplementary admission criteria.

**Impacted Majors for Fall 2015: Biological Science, Business Administration, Criminal Justice, Graphic Design, Health Science, Nursing, Photography, and Psychology.**

Visit [www.csus.edu/admissions/impaction.html](http://www.csus.edu/admissions/impaction.html) for more information.

## Associate Degree for Transfer: (A degree with a guarantee)

The Student Transfer Achievement Reform Act (SB 1440) established an Associate in Arts for transfer (AA-T) or Associate in Science for transfer (AS-T) for California Community College (CCC) students and is designed to provide a clear pathway to the California State University (CSU) degree major.

The associate (AA-T/AS-T) degree for transfer requirement includes:

- Completion of 60 semester or 90 quarter units of coursework that would be eligible for transfer to the CSU, including General Education: IGETC (CSU) or CSU GE Breadth
- Completion of at least 18 units of coursework in a major or area of emphasis as defined by the California Community College
- Earn a minimum grade point average (GPA) of at least 2.0 in all CSU transferable coursework
- An up-to-date list of associate degrees offered by California Community Colleges and CSU campuses where degree majors aligned with CCC can be found at csumentor.edu

Visit [www.agedegreewithaguarantee.com](http://www.agedegreewithaguarantee.com) for more information.

---

### CSU General Education

California community college students may complete all of the 39 semester (58.5 quarter) units of lower-division courses for CSU GE-Breadth Requirements (for CSU only) at a California community college before transferring to a CSU campus. Sacramento State requires students to complete 30 units in GE for admission. Transfer students must take specified courses in the areas of:

- **Area A** — English Language Communication and Critical Thinking
- **Area B** — Scientific Inquiry and Quantitative Reasoning
- **Area C** — Arts and Humanities
- **Area D** — Social Sciences
- **Area E** — Lifelong Learning and Self-Development

### Intersegmental General Education Transfer Curriculum (IGETC)

The IGETC is another unit pattern that California community college students can use to fulfill all lower-division general education requirements at any CSU or UC campus. The IGETC requires completion of a minimum of 37 semester or 49 quarter units of lower-division work with a C grade or better in each course (C- is not allowed). Requirements of the IGETC are:

- **Area 1** — English Communication
- **Area 2** — Mathematical Concepts and Quantitative Reasoning
- **Area 3** — Arts and Humanities
- **Area 4** — Social and Behavior Sciences
- **Area 5** — Physical and Biological Sciences

**Lower Division Major Preparation**

California community college students who know the major they wish to pursue at Sacramento State are advised to follow the major preparation articulation agreements, which are available at [assist.org](http://assist.org).

It is highly encouraged to complete lower division major preparation prior to enrolling especially if you are applying to a competitive major.
