

A&O  
ADMISSIONS & OUTREACH

Dear {#First Name#},

Congratulations on your admission to Sacramento State! As a non-resident of California, I am writing to offer you an opportunity to participate in the Western Undergraduate Exchange (WUE) program. The WUE program allows admitted, non-resident students from one of sixteen participating states and islands to pay 150% of the regular California resident tuition rate vs. the full out-of-state tuition rate. This opportunity is only available to new students prior to their first semester of enrollment. To see which states participate go to: [www.wiche.edu](http://www.wiche.edu).

Using 2014-15 tuition rates plus student fees (based on 15 units per semester for one academic year; fees/rates subject to change annually):

- Out-of-State tuition plus fees: \$17,808
- WUE tuition plus fees: \$9,384

***WUE students could save over \$8,400 per year!***

WUE participants must agree to enroll full-time each semester (12 or more units) and:

- make satisfactory progress toward an undergraduate degree
- maintain a minimum Sac State and cumulative grade point average of 2.0 (C average) or better (be in good academic standing)
- remain classified as a non-resident for the duration of your undergraduate study. *You will not be able to petition to become a California resident.*

*Students applying to Pre-Nursing and Nursing are not eligible to participate in WUE.*

*For those students who may be relocating to California and plan to stay*

*indefinitely, WUE may not be the best financial option.*

**To apply for WUE tuition fee consideration:**

- complete your [Intent-to-Enroll](#) (ITE) by **May 1, 2015** (we do not charge to ITE)
- complete, sign, and return this [WUE Contract](#) by **May 4, 2015**
