June 1, 2012

Dear {#First Name#},

Congratulations on your acceptance to Sacramento State. An unforgettable college experience awaits you. We look forward to describing the Sacramento State experience more fully at your upcoming Student Orientation session.

While at Orientation, you will have your photo taken for your official student identification card, the OneCard. Please be sure to bring one form of valid identification with you. Your OneCard can be used for library services, admission to various on-campus athletic events, Hornet Bucks purchases, as a commuter pass (for the Hornet Shuttle, SacRT and LightRail), and much more.

Additionally, we’ve teamed up with Wells Fargo to give you the option to use your OneCard as an ATM/PIN-debit card for added banking convenience. You’ll enjoy a wide array of benefits and services when you link your OneCard to a Wells Fargo College Checking® account1 that includes:

- **Convenience of a single card** that serves as your student ID and supports your banking needs
- **Monthly service fee waived** when linked to your OneCard
- **Direct deposit** of your financial aid disbursements, student payroll earnings, and other University payments
- **Purchasing power** anywhere ATM/PIN-debit cards are accepted
- **Banking on the go** with Wells Fargo Mobile® Banking
- **Simple, secure access to your account** with Wells Fargo Online® Banking
- **Free access to cash** at the Wells Fargo ATM on campus and at over 12,000 Wells Fargo ATMs nationwide

You will hear more about the OneCard and its many uses in your Orientation session. To learn more about linking your OneCard to a Wells Fargo College Checking account, speak to a Wells Fargo banker on campus at Orientation, or visit one of the following Wells Fargo banking locations in Sacramento:

- Camellia City Center  
  5700 Folsom Boulevard  
  916-440-4633
- Lyon Village  
  2598 Fair Oaks Boulevard  
  916-484-2700
Sincerely,

Edward Mills
