After I Apply, What’s Next?

✓ All communication regarding your application for admission will be sent to the email you put on your application.
✓ Application acknowledgment will contain your Sac State ID number.
✓ Sac State ID number is used to set up Sac Link account, which will give you access to My Sac State.
✓ Visit the “I Have Applied” section on the Admissions website: csus.edu/admissions.
✓ Check My Sac State to see the status of your application beginning March 1, 2013.
✓ After you are admitted, visit the “I Have Been Admitted” section on the Admissions website: csus.edu/admissions.

Impaction
Sacramento State is in demand! With record numbers of applications and limited capacity, we were forced to declare impaction in 2011. Campus impaction is declared when the number of qualified students who want to attend exceeds the capacity to serve them in terms of funding allocated by the state.
For more information visit: csu.edu/admissions/impaction.

Transfer Associate Degree
The Student Transfer Achievement Reform Act (SB 1440) established an Associate in Arts for transfer (AA-T) or Associate in Science for transfer (AS-T) for California Community College (CCC) students and is designed to provide a clear pathway to the California State University (CSU) degree major. The associate degrees for transfer commences with the 2011-12 academic year. A student who receives a transfer degree is eligible for admission as a transfer with junior standing into the CSU system. A student who has earned these degrees will not be guaranteed admission or a specific major or campus, but will be given student priority admission consideration to the local CSU campus and to a program or major that is determined by the CSU to be similar to the transfer AA degree. Upon enrollment at the CSU campus, the student will be eligible to graduate with 60 remaining semester units.

The transfer associate (AA-T/AS-T) degree requirement includes:
- Completion of 60 semester or 90 transferable quarter units of coursework that would be eligible for transfer to the CSU, including General Education: IGETC (CSU) or CSU GE Breadth
- Completion of at least 18 units of coursework in a major or area of emphasis as defined by the California Community College
- Earn a minimum grade point average (GPA) of at least 2.0 in all CSU transferable coursework

An up-to-date list of associate degrees offered by California Community Colleges and CSU campuses where degree majors aligned with CCC can be found at csumentor.edu.

Fall 2013 Undergraduate Admissions

- Open to Upper Division Transfers
- Accepting applications during priority filing period October - November 2012 via csumentor.edu
- $55.00 application filing fee. Deadline December 20, 2012
- Official documents deadline is February 1, 2013
- Admission decisions will be based on self-reported information from application and official documents
- Admission requirements must be completed by the end of Spring 2013. (MAY NOT USE SUMMER 2013 to complete any admission requirements)
- Admission notifications will be available March 1, 2013
- Intent to enroll deadline is May 1, 2013

Admission Requirements

Upper Division Transfers
- Complete a minimum of 60 transferable semester or 90 transferable quarter units to include:
  - 30 units from the CSU General Education requirements or
  - Intersegmental General Education Curriculum (IGETC) with a C– or higher for the following:
    - Area A1. oral communication
    - Area A2. written communication
    - Area A3. critical thinking
    - Area A4. math (above intermediate algebra)
- Have a qualifying grade point average and be in good standing at last college or university attended
- Returning Sacramento State students must be in good standing at Sac State
- Applicants transferring with the majority of units from the following California Community Colleges are considered local area for admission: American River, Cosumnes River, Folson Lake, Lake Tahoe, Sacramento City, San Joaquin Delta, Sierra, Solano, Woodland and Yuba
  - Local area for admission will be held to CSU transfer admission requirements
  - Out of local area for transfer admission may be based on higher qualifying grade point average and available space.

CSU General Education
California community college students may complete all of the 39 semester (58.5 quarter) units of lower-division courses for CSU GE-Breadth Requirements (for CSU only) at a California community college before transferring to a CSU campus. Sacramento State requires students to complete 30 units in GE for admissions. Transfer students must take specified courses in the areas of:
- Area A — English Language Communication and Critical Thinking
- Area B — Scientific Inquiry and Quantitative Reasoning
- Area C — Arts and Humanities
- Area D — Social Sciences
- Area E — Lifelong Learning and Self-Development

Intersegmental General Education Transfer Curriculum (IGETC)
The IGETC is another unit pattern that California community college students can use to fulfill all lower-division general education requirements at any CSU or UC campus. The IGETC requires completion of a minimum of 37 semester or 49 quarter units of lower-division work with a C grade or better in each course (C– is not allowed). Requirements of the IGETC are:
- Area 1 - English Communication
- Area 2 - Mathematical Concepts and Quantitative Reasoning
- Area 3 - Arts and Humanities
- Area 4 - Social and Behavior Sciences
- Area 5 - Physical and Biological Sciences
