Dear {#First Name#},

It appears based on your application materials that you have previously been enrolled at Sacramento State under a different name. In order to change your name on any pre-existing records you may have at Sacramento State, the Office of the Registrar requires that the following form be completed and submitted to them in person (see instructions on the form) in order to officially complete the name change on your records.

Although not required, completing the name change process is recommended and may alleviate any confusion in the future. If you have any questions, please contact Admissions at (916)278-7766 or the Office of the Registrar at (916)278-7111.

Thank you.
