Dear «First Name»,

Thank you for your application to California State University, Sacramento for the Spring 2015 semester!

Please note your Sac State identification number in the top right corner of this letter. Do not lose your ID number. This is your personal identification for the campus. Use your Sac State ID (EMPLID) to set up your Sac Link Account at www.saclink.csus.edu

New applicants must complete the following steps:
1. Visit the “I Have Applied” section of the admissions web site at www.csus.edu/admissions to:
   • Learn the steps to set up your Sac Link account
   • Review the Admissions time line for important deadlines

2. Once you have your SacLink account, you will have access to your ‘My Sac State’ http://my.csus.edu. You will use your My Sac State to find information about fees, residency, financial aid, to check for messages, and to update your personal information such as mailing address and telephone number.

3. Be Aware of Important Dates and Deadlines!
   • September 15 Deadline to Submit Application Fee
   • September 15 Deadline to Submit Official Transcripts (including Fall 2014 in-progress and AP, CLEP and IB test scores)
   • October 1 Check your “My Sac State” for your Admission Decision
   • October 24 Deadline to submit proof of AA-T/AS-T Degree (petition) if applicable
   • November 1 Deadline to complete your Intent to Enroll (ITE)
   • December 1 Register for Mandatory New Student Orientation
   • January 15 Final Document Deadline

Please note: Failure to adhere to any of the posted admissions deadlines will result in your application for admission being removed from consideration.

Please be aware that some of Sacramento State’s more popular majors have been designated “impacted” and applicants may be subject to additional criteria and supplemental application processes by those programs. For more information on Impaction, Impacted Programs and Requirements, visit www.csus.edu/admissions/impaction.html.

Thank you again for your application to Sacramento State, where we have a proud heritage of preparing students for their future.

Best Wishes,
Emiliano Diaz, Director
Admissions & Outreach
