

Training & Tools

The Educational & Instructional eNewsletter

April 20, 2009 [PRINTABLE](#) | [TOOLS](#) | [TRAINING](#)

Message from Training Coordinator

Welcome to the April edition of the Training & Tools eNewsletter. We have been busy delivering the spring workshops, but as you can see below you still have time to register. In addition, we are pleased to announce that the Training Web Site has been updated to make it easier for you to register and to locate the training handouts and tutorials, please visit <http://www.csus.edu/training/>.

Raymond Piña

Manager & Training Coordinator
Academic & Information Technology,
Academic Technology & Creative Services

MERLOT

Multimedia Educational Resource
for Learning and Online Teaching

A free, peer-reviewed, web-based resource and community designed to help you find online teaching and learning materials quickly and easily. It is a continually growing catalog of online teaching tools and support resources that help you enhance your instruction. MERLOT is also an active community of people like you, who strive to enrich their teaching and learning experiences with technology.

MERLOT Can Help You...

- Find the right online materials and advice faster with our improved browsing and with more peer reviews than before.
- Find experts and peers in the online teaching community through our expanded member services.
- Personalize MERLOT services so you get the resources and communications you want.
- Share your expertise easily, and build relationships with peers who value your expertise.
- Participate in building a free and open educational community for the world.
- Receive recognition for your contributions to the MERLOT community.

Increase Participation in Faculty Development Programs

Offered by the TLT Group

Tuesday
April 21, 2009
11:30 AM (PST)

A free webinar offered by The TLT Group: "Sharing Specific Ideas [Price of admission to the center of the fishbowl: A useful idea!]"

How to access this webinar

Just visit the TLT Group's website (<http://www.tltgroup.org>) on April 21th, and a link for this webinar will conveniently be available on the homepage.

Bringing Grading to Life: Audio/Visual Assessment and Feedback

Offered by the TLT Group

Friday
April 24, 2009
11:00 – 12:00 (PST)

A "FridayLive!" event. Because Sac State is a subscribing institution to the TLT Group, Sac State faculty and staff are granted Individual membership access to TLT Group online workshops and webinars. Many sessions offered through this group are free to individual members.

How to access this webinar

Online registration for this event is required. Register 24 hours in advance from the TLT Group Home Page Calendar of Events. Additional information regarding this session will be available once you register.
