Road and path repairs coming next week
Facilities Management will conduct road and path repairs from Monday, June 2, through Tuesday, June 10. Traffic will be impacted during this time in the following ways:

- June 2: A small part of the pathway between the Library and Saigon Bay will be closed to pedestrians.
- June 3-4: Stadium Drive will be closed in front of Gates 3 and 4. Traffic will be diverted onto Callery Pear Way to Parking Structure 3.
- June 3-4: State University Drive in front of Shasta Hall will be closed; traffic will be diverted through Parking Lot 2.
- June 5-6: The pathway between the University Union and Santa Clara Hall will be closed; Library deliveries will have to go through Lot 5 to the Library loading dock.
- June 5-6: Jed Smith Drive between Riverside Hall and the bike compound will be closed to traffic in both directions; the bike ramp to the bridge will be inaccessible; the stairway will be open to cross the bridge.
- June 5-6: Sinclair Road and College Town Drive near the softball field will be closed one lane at a time; flaggers will route traffic through the area.
- June 9: A small portion of State University Drive across from Capital Public Radio will be repaired; traffic will be allowed through with a narrow traffic lane.
- June 10: A new guide strip will be installed on Stadium Drive; traffic will be diverted through the Alumni Center parking lot for installation.

Security tip: Misdirected emails
What do you do if you receive a confidential email – for example, from a law firm addressed to the “General Counsel” with attachments – and you believe you have received this email by mistake, and that it contains protected information you are not authorized to possess? You must delete the misdirected email, along with its attachments. Do not read, forward, copy or otherwise access the email attachments. If you are unsure whether information is protected, review the CSU’s policy or contact the Information Security Office. Never ask co-workers whether a document is protected because you may be further inappropriately circulating protected information. For more information, contact the Information Security Office. You will find contact information on its webpage at www.csus.edu/irt/is.
