Program Mission
Advances in technology have opened commerce to a global scale and heightened the competitiveness of businesses around the world. As a result, the demand for well-educated executives and managers has grown at phenomenal rates. The purpose of the International MBA program is to provide students the opportunity to become business leaders in the global marketplace through in-depth learning and practices in different business functions leading to successful international enterprises.

Program Delivery
The international MBA program is a one-year, cohort based, full-time, and day-time program. Each class lasts for 3 weeks. Students need to attend classes 8:30 a.m. – 12:30 p.m. on Monday and Wednesday, and 8:30 a.m. – 3:30 p.m. on Friday over the 3-week duration of a class.

Admission Criteria and Checklist
- The minimum requirement is a four-year baccalaureate degree from an accredited institution with an overall GPA of at least 2.5 in the last 60 hours of coursework, or an overall GPA of at least 2.5 of all coursework.
- English Proficiency for International Students: If the applicant’s undergraduate degree does not use English as the teaching medium, TOEFL or its equivalent is required.
- GMAT score or full-time work experience
- An updated resume.
- Two letters of recommendation letters and recommendation waivers.
- Statement of purpose.
- Official Academic Transcripts from all previously attended institutions.
