Course Outline

EDTE 385B: Methods in World Language Education, B

Extension of EDTE385B in candidates will learn additional methodologies for planning and delivering instruction in world languages, based on national and state standards for Foreign Language Learning. Candidates will practice instructional strategies and will design lessons. Candidates will implement assessments that capture student learning of key world language outcomes, including oral language and written language development and reading fluency. Strategies for teaching cultural appreciation are also embedded.

Expected Outcomes

Candidates will be able to:

1) Demonstrate the ability to teach the state-adopted academic content standards as outlined in the Foreign Language Framework for California Public Schools.
2) Demonstrate a high proficiency in the language that allows them to conduct their classes in the target language.
3) Demonstrate the ability to teach in a proficiency-oriented program with a commitment to teaching and learning using the four languages skills of listening, speaking, reading, and writing, thus enabling their students to demonstrate communicative ability in the target language from level 1 to advanced.
4) Demonstrate knowledge of the nature of language, basic linguistics and a thorough understanding of the structural rules and practical use of the target language.
5) Demonstrate an in-depth knowledge and understanding of the cultures and societies in which the target language is spoken, with validation and enhancement of the language and cultures of heritage and native speakers.
6) Demonstrate the requisite knowledge necessary to plan and deliver challenging lessons, to assess students using a variety of assessment tools by using current methodology in second-language acquisition, with attention to critical thinking and emphasis on evidence of student learning to inform their best practices in teaching.
7) Candidates also demonstrate that they have the knowledge of using technology to support and enhance their instruction.
